DOWNLOAD / UPDATE GUIDE

This document explains how to download or update Fab's AutoBackup from your customer account. **The store's website has changed on May 1 2022. Therefore, if you have ordered before this date, you will have to download software from archived store website. Instructions are on [page 2](#).**

1- Log yourself in the store here: https://store.fpnet.fr/en/order-history

2- Click the "Details" link matching with your order:

Here are the orders you've placed since your account was created.						
Order reference	Date	Total price	Payment	Status	Invoice	
UZEKIVAJQ	03/16/2022	€0.00	–	Delivered	PDF	Details

3- Scroll down the page and click the download link near the bottom:

Product	Quantity	Unit price	Total price
Fab's AutoBackup Pro Reference: PRO1	1	€0.00	€0.00
		Subtotal	€0.00
		Total	€0.00

4- The process is the same for product's updates as download link's target is always the latest version.

If you placed your order before May 1 2022, here is how to proceed:

1- Log yourself in the store here:
   https://archive.fpnet.fr/account_history.php?language=en

2- Click the "view" button matching with your order:

My Order History

Order Number: 11726 (Delivered)

Order Date: Friday 16 March, 2018   Products: 1
Billed To: Order Cost: View

3- Scroll down the page and click the download link at the bottom:
